Enter the score from the rubric on a scale of 1-4 in this column. Use the Film Roles Rubric to determine each category.

That score will be multiplied by a 1 or a 2 in this column depending on its value.

The total value will automatically appear here.

Final Grade

Comments

21 is the total number of points possible for a director. This column will calculate the average.

Use the conversion chart to determine the final grade. Move the light blue bubble to the correct space.
